### Risk Management Conference

The timing of the National Outdoor Leadership School (NOLS) Conference on Risk Management was perfect, given recent events and publicity in our industry.

Dave Ward, Aspiro Program Director just returned from this comprehensive event. "It is too bad more programs did not go to the effort of attending this invaluable conference," said Ward. He continued, "I am

*Thank you to all consultants who have taken time out of their incredibly busy schedules to visit us over the summer*

### Clinical Summit a Success

Last month, as part of a continuing clinical training series, Aspiro was fortunate enough to spend two days with Educational Consultant Dana Dean Doering, ARNP, Dr. Mark Widmer (Brigham Young University), Dr. Steve Allison, and our founder and chief visionary, Randy Oakley.

Dana said, "The team was hungry to learn, collaborative, fun to teach and I am most impressed with how confident I left feeling that the team would carry on the learning proc-

### HOLLYWOOD PARTY!

Aspiro is having a party with a live band in Hollywood! Don't miss this opportunity to have a blast, and heckle lead-singer, Brian Church!! Please join us for a great time hanging out with industry friends. The event is Friday night, November 9, from 8:30 p.m. to 11:30 p.m. at the Conference Hotel.

If you have not received a separate email invitation, please email Brian Church at the address at the bottom of this flyer and he will get one right out. Remember, this is not an "invitation only" event. We encourage you to spread the word—we are welcoming other programs as well.

See you in Hollywood!!
